Book Overview:

The author of A Certain Age transports readers to sunny Florida in this lush and enthralling historical novelâ€”an enchanting blend of love, suspense, betrayal, and redemption set among the rum runners and scoundrels of Prohibition-era Cocoa Beach

Burdened by a dark family secret, Virginia Fortescue flees her oppressive home in New York City for the battlefields of World War I France. Driving an ambulance for the Red Cross, she meets a charismatic British army surgeon whose persistent charm opens her heart to the possibility of love. As the war rages, Virginia falls into a passionate affair with the dashing Captain Simon Fitzwilliam, only to discover that his past has its

own dark secretsâ€”secrets that will damage their eventual marriage and propel her back across the Atlantic to the sister and father sheâ€™d left behind.

Five years later, in the early days of Prohibition, the newly widowed Virginia Fitzwilliam arrives in the tropical boomtown of Cocoa Beach, Florida, to settle her husbandâ€™s estate. Despite the evidence, Virginia does not believe Simon perished in the fire that destroyed the seaside home he built for her and their young daughter. Separated from her husband since the early days of their marriage, the headstrong Virginia plans to uncover the truth, for the sake of the daughter Simon has never met.

Simonâ€™s brother and sister welcome her with open arms and introduce her to a dazzling new world of citrus groves, white beaches, bootleggers, and Prohibition agents. But Virginia senses a predatory presence lurking beneath the irresistible, hedonistic surface of this coastal oasis. The more she learns about Simon and his mysterious business interests, the more she fears that the dangers surrounding Simon now threaten her and their daughterâ€™s life as well.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
